3rd edition

INDIA – U.S.A. TRADE & INVESTMENT CONNECT

Wednesday, June 5, 2024 | 9:30 a.m. - 5:30 p.m. (IST)

VENUE: ITC Grand Chola, Chennai

WHO ARE WE?

- Established in 1968, IACC is pivotal in facilitating sustainable business development between India and the US.
- Throughout its extensive five-decade journey, the IACC has cultivated collaborative ties with various business, research, and developmental organizations in India and the US, maximizing the potential of Indo-US business relations.
- Presently, the IACC boasts a nationwide presence across India, with a membership base exceeding 1500 members, encompassing a wide array of industries.
- For more details, please visit our website www.iaccindia.com

INDIA – U.S. BILATERAL TRADE

- USA is India's largest trading partner with bilateral trade in goods and services crossing US\$ 191 billion in 2022. In 2022 bilateral merchandise trade reached US\$ 133 billion and services trade reached around US\$ 58 billion.
- During 2022-23, US was the third largest source of FDI into India with inflows of US\$ 6.04 billion accounting for almost 9% of total FDI equity inflows. Many Indian companies are investing in the US and adding value. According to a CII study released in April 2023, 163 Indian companies invested over \$40 billion in the US and created over 425,000 direct jobs.

WHY ASSOCIATE WITH **TRADE & INVESTMENT CONNECT?**

Market Expansion Opportunities

provides a platform to explore new markets and expand business operations. It serves as a bridge between Indian and American companies, fostering connections that can lead to strategic partnerships, collaborations, and market entry opportunities.

Networking with Industry Leaders

allows companies to connect with industry leaders, experts, and potential partners. Networking opportunities can open doors to valuable collaborations, joint ventures, and insights into industry trends.

Knowledge Exchange and Learning

Participating companies can gain valuable insights into market dynamics, regulatory environments, and emerging trends, contributing to informed decision-making and strategic planning.

Showcasing Products and Services

The event provides a platform to showcase products, services, and innovations to a diverse audience. Exhibiting at the conference can attract potential clients, investors, and partners, offering a unique opportunity to demonstrate offerings and create brand visibility.

Access to Investment Opportunities

The conference facilitates discussions on investment opportunities and funding options. Companies seeking capital for expansion or new projects can engage with potential investors and financial institutions, paving the way for investment deals and strategic alliances.

ELIGIBILITY CRITERIA FOR EXHIBITORS

Stall Registration Guidelines

Exhibitors should be a member of IACC; or an U. S. based Company or an U.S. subsidiary in India.

Relevance to Indo-American Trade

Exhibitors should have a clear relevance to Indo-American trade and investment. Their products, services, or offerings should align with the interests and needs of businesses looking to engage in bilateral trade between India and the United States

Export-Ready Products or Services

Exhibitors should offer products or services that are export-ready and have the potential to cater to international markets. The expo aims to facilitate trade, and exhibitors should be prepared for cross-border transactions.

Industry Alignment

The stall space is open to all industries or sectors.

Legal and Ethical Compliance

Companies should have complied with legal and ethical standards both in India and U.S. This includes adherence to trade regulations, intellectual property laws, and ethical business practices.

Export Readiness

Exhibitors should demonstrate their readiness to engage in export activities. This may include having the necessary documentation, certifications, and compliance with export regulations.
